3. It is reiterated that the Investigating Agency, to balance the interest of investigation and having due consideration to your age and in line with the statutory provisions, had voluntarily notified that your place of investigation will be your residence as per the official records available with us. The request for examination at a place which is not your residence as per official records cannot be acceded to, as the venue of examination is determined with reference to the ordinary place of residence reflected in official records.
4.
